To whom it may concern:

I am writing to you to request permission for a bike ride to pass through the City of Racine on August 27, 2011. "Wrigley Field Road Tour...100 Miles To Go" is an annual 100-mile bike ride from Wrigley Field in Chicago to Miller Park in Milwaukee. The proceeds of the ride will benefit the community work of Chicago Cubs Charities as well as the global work of World Bicycle Relief, two non-profit organizations.

The ride will take place between the hours of 11:15AM and 11:45AM. The number of expected riders is around 600, but of course they will not all be passing through at the same time. There will be no need for full or partial road closures. There will also be no need for assistance of any kind from City of Racine.

Please see the enclosed map with written street directions for information on the exact route of the ride.

If you have any questions or would like more information about the "Wrigley Field Road Tour...100 Miles To Go" ride, do not hesitate to call or email.

Thank you,

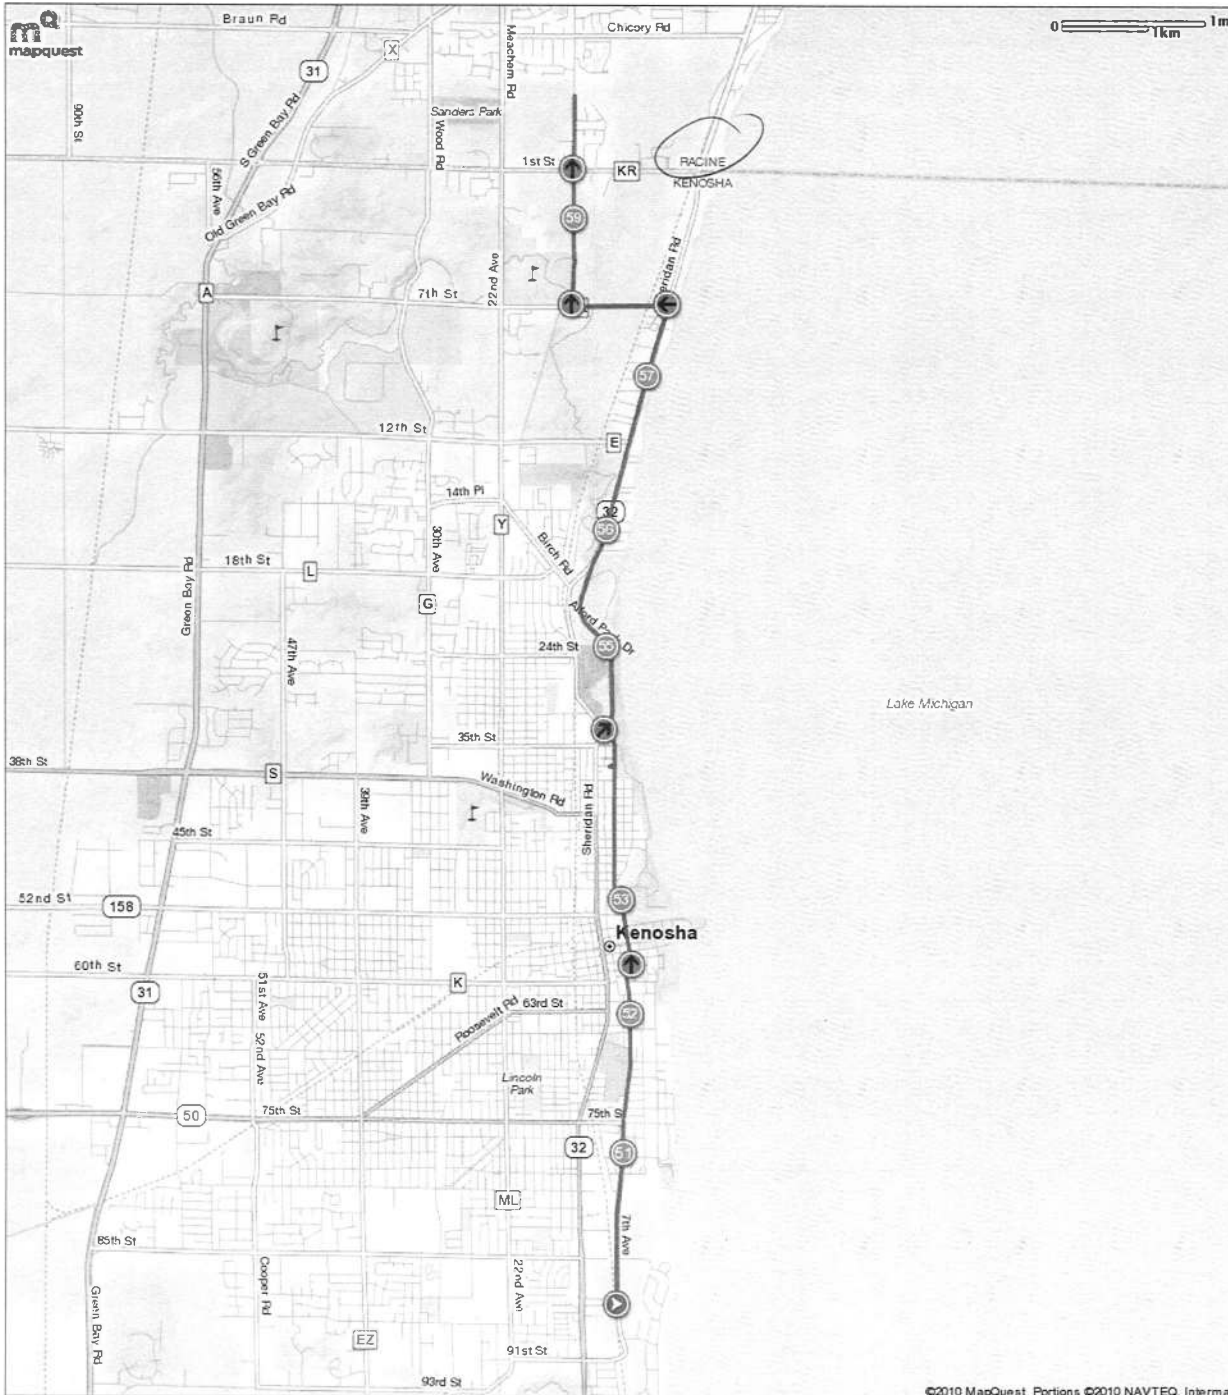

Alli Novak
