Kara,

The request always goes to Public Works, even though the final paperwork comes from my office.

By copy of this email, I am forwarding your request to the Public Works & Services Committee.

Stacey –

I wanted to connect with you now to get on the schedule to get approved for our 5K race for 2016. For next year, we decided to change the race and move the date since we haven't had great weather in April! The race will not be called the Bunny Hop anymore – it's the Spirit Run – raising money for schools in the Racine area – it's the same exact course, I expect the same amount of people for attendance, but the date is now set for Saturday, September 17<sup>th</sup>. Please let me know how to proceed.

Thanks so much for all your help!

My best  
Kara Kading
