Res.0223-16

Development Agreement Between the City, the Redevelopment Authority of the City, Herman & Kittle Properties, Inc., 1520 Clark Street, L.P., and Wisconsin Social Services of Wisconsin and Upper Michigan, Inc.

WHEREAS, through a grant from the United States Environmental Protection Agency (US EPA), the City of Racine established a \$1,000,000 Brownfield Cleanup Revolving Loan Fund (BC-RLF) (Common Council Res No. 10-2162) with supplemental funding in the amount of \$500,000 received in May 2016; and

WHEREAS, City staff presents a Development Agreement to provide financial assistance through the BC-RLF for review and recommendation to the Common Council between Herman & Kittle Properties, Inc.; Lutheran Social Services of Wisconsin and Upper Michigan, Inc.; and the City of Racine; and

WHEREAS, the development agreement is for financial assistance in the form of a BC-RLF loan to the developer for the purposes of conducting environmental response activities at approximately 3.07 acres at 1520 and 1536 Clark Street for a multi-family residential development. The subject property is currently a large industrial building that requires environmental clean up and incentives to facilitate an historic, adaptive reuse of the property. The City views this development as a catalyst development within the Uptown Neighborhood Business Improvement District. Evaluation of the project financials show that this project cannot support additional direct debt to cover the extraordinary \$1.3 brownfield cleanup costs associated with this project; and

WHEREAS, the redevelopment will result in new 65 rental units targeted to low and moderate income veteran households, and nine market rate units; there is a veteran's preference for rental tenants, but non-veterans may also be tenants in the building; the total investment proposed by the developer is over \$18 million; the total resulting real property tax and personal property tax assessment from this investment is estimated to be \$2.4 million for the properties; and the proposed investments will increase the taxable value by a factor of 587%; and

WHEREAS, the development has been reviewed and recommended for approval, with certain exceptions for vehicular parking and buffering, by the Racine Downtown Design Committee, and the City of Racine Plan Commission; and

WHEREAS, the City of Racine has engaged in negotiations for a development agreement to provide certain BC-RLF funding, conditioned on meeting certain performance and property tax requirements; and

WHEREAS, the \$580,000 BC-RLF loan is proposed to be repaid at 1% interest starting in 2022 by Tax Increment Finance District Number 19 as a TIF Incentive up to \$676,000 for such repayment including for capitalized interest. The payback period is 10 years; and

WHEREAS, City of Racine staff also recommends considering an optional TIF Incentive of \$75,000 of financial assistance through the BC-RLF to reimburse a subgrant fund for the development through the TIF District increment; and

WHEREAS, based upon staff's underwriting analysis of the project, the Developer's proposal meets City of Racine standards of project feasibility and long term sustainability. Legal staff, RCEDC staff, and City Development staff have both reviewed the proposed Development Agreement and the BC-RLF Loan proposal and believe that these incentives protect the City of Racine from any financial liability, yet facilitates a catalytic investment in the Uptown Neighborhood.

BE IT THEREFORE RESOLVED, that a Development Agreement between the City of Racine; the Redevelopment Authority of the City of Racine; Herman and Kittle Properties, Inc; 1520 Clark Street L.P. , and Wisconsin Social Services of Wisconsin and Upper Michigan, Inc. is approved.

BE IT FURTHER RESOLVED that the Mayor, City Clerk, and Director of City Development are authorized to execute the agreement, in substantially the form submitted, providing up to \$676,000 in financial assistance (including an optional \$75,000 of financial assistance to reimburse a subgrant fund) for the property at 1520 and 1536 Clark Street through the Brownfield Cleanup Revolving Loan Fund (BC-RLF).

Fiscal Note: Funds were set aside within the Racine EPA BC-RLF this fiscal year in anticipation of a development called the "Veterans' Development" within the Uptown Neighborhood.

Grant to the Racine Revitalization Partnership to Create a New Community Housing Development Organization

WHEREAS, during the approval of the recent Uptown Tax Increment Finance District Plan (TID 19), the RDA reviewed the activities anticipated by the new tax increment financing district. One of the priority projects for TID19 is the establishment of a new Community Development Corporation (CDC) for the City, with a near term focus on the Uptown neighborhood; and

WHEREAS, the proposed CDC is to be called The Partnership because it is linking many established community organizations. Work on this

organization has been occurring for well over a year. The founding organizations of this partnership include: Continuum of Care for the City and County of Racine (CoC), Great Lakes Community Conservation Corps (GLCCC), Homeless Assistance Leadership Organization (HALO), Housing Resources Incorporated (HRI), Human Capital Development Corporation (HCDC), Racine Housing and Neighborhood Partnership (RHNP) and Racine Neighborhood Watch, Inc. (RNW); and

WHEREAS, The Partnership's mission is to build a better Racine through the social, physical, and economic revitalization of our neighborhoods. The Partnership will be designed to meet HUD's definition of a "Community Housing and Development Organization" (CHDO) which will provide additional opportunities for grant and tax credit programs that the City cannot enjoy because we do not have a CHDO within our boundaries; and

WHEREAS, in order to begin its work, The Partnership requires monies to fund its activities, including staffing and administrative costs. These expenses were identified in the TID19 Project Plan; and

WHEREAS, City Development staff has reviewed The Partnership's proposal and recommends that the RDA fund the organization for this year at \$150,000. The TID19 does not yet produce increment, so staff propose to borrow money from the IGA account and reimburse the IGA account once TID19 begins producing increment.

BE IT THEREFORE RESOLVED that the recommendation of the Racine Development Authority for a grant of \$150,000 to The Racine Revitalization Partnership (The Partnership) to create a new Community Housing Development Organization is approved.

BE IT FURTHER RESOLVED, that the Mayor, City Clerk, and the Executive Director of the Authority are authorized to execute a written agreement with The Partnership.

Fiscal Note: Funding would be provided through TID19,; however, funds from the IG account will be used until TID increment is sufficient to reimburse the IGA account.

Brokerage Services to Market the South Side Industrial Park from Paul McBride of RFP Commercial, Inc.

WHEREAS, in 2015, the Redevelopment Authority directed staff to begin marketing and promoting the City's Brownfield Industrial Parks, particularly the South Side Industrial Park; and

WHEREAS, in June 2015, Racine County Economic Development Corporation (RCEDC) issued a request for qualifications and received four responses to their advertisement. The proposals were reviewed by the Racine Economic Development Advisory Committee (REDAC); and

WHEREAS, the recommendation of REDAC was to engage the services of Paul McBride of RFP Commercial Real Estate; and

WHEREAS, the terms of the agreement is from July 1, 2016 to January 1, 2017 and the agreement can be extended; and

WHEREAS, the property will be listed for \$390,000. The Broker's commission shall be eight percent (8%) of the gross selling price. For a co-brokered transaction, commission shall be (10%). Broker's commissions will be based upon the asking price of \$390,000.

BE IT THEREFORE RESOLVED, that the Racine Development Authority is approved to accept the proposal for brokerage services to market the South Side Industrial Park from Paul McBride of RFP Commercial, Inc. and direct the Executive Director to sign the brokerage agreement, as proposed, with funds coming from Tax Increment Finance District 10.

Fiscal Note: This expense is an eligible Tax Increment District expense and this property is within TID10. However, because TID10 is not producing sufficient revenues at this time, staff recommends that money is borrowed from the IGA account and once TID10 produces sufficient increment, the IGA account be reimbursed.
