Re: Urban Nonpoint Source & Storm Water (UNPS&SW) Program Construction Grant  
for Graceland Cemetery Pond Improvement Project, Grant Control No. 2014-015

I respectfully request an appearance before the Committee to apply for the State of Wisconsin Urban Nonpoint Source & Storm Water (UNPS&SW) Construction Grant for the Graceland Cemetery Pond Improvement Project. The grant would pay for 50% of eligible project elements (design and construction) up to \$125,000.

The grant funds would pay for the design and construction for the expansion of the Graceland Cemetery Pond to gain up to 13.3 tons of sediment reduction annually. The project cost is estimated at \$400,000 for design and construction.
