Subject: Traffic Around Red Apple

Hi Jim,

This is Shawna Williams at 1522 Superior St. I am writing in to regards of the horrible drivers around Red Apple School. I now have a son in 3K and will have 2 more attending next year. We walk to school and I can't tell you how many times there have been close calls of rude drivers going thru the stop signs barely stopping when Parents and their children are in the street crossing. I have ran into the street several times after other children in the middle of the road. The corners of St. Patrick and Superior, St. Patrick and LaSalle, is there any more that can be done besides the 4 way stops so our children will get to school safe?

Thank you,
Shawna Williams
