RE: Uptown Intersection

Dear Mr. O'Connell:

The purpose of this correspondence is to formally request that the City of Racine initiate the planning for a roundabout at the intersection of Washington Avenue, Junction Avenue and 14th Street. The Uptown Improvement Organization (UIO) Board is concerned with the current configuration of the intersection for the following reasons:

- Speed through the commercial corridor;
- Safety; and
- Access to Junction Avenue.

The UIO Board would like to be included in the process and ask that you keep the Board informed as the City investigations this request.

Sincerely,

Kristin Niemiec on behalf of the Uptown Improvement
Organization Board of Directors
