Re: Contract 2024024 – Professional Services Agreement for Uptown Racine Green Alley & Infrastructure

Dear Alder Jones:

The City of Racine is desirous of providing a green alley and other green infrastructure in Uptown Racine. The City intends to pursue an Urban Nonpoint Source & Storm Water (UNPS&SW) Management Grant in April 2024 to partially fund this improvement project approved in the 2024-33 CIP. If the City is awarded the grant by the end of year, bidding and construction would occur in 2025.

AECOM shall provide services to design a green alley and infrastructure park in a City-owned alley and parking lot south of Washington Avenue between Owen and Junction Avenues. The services included in the professional services agreement are; Site Survey, Geotechnical/Environmental Investigation, Plans & Specifications Preparation, Grant Application Administration and Meetings.

The total cost of this agreement is \$75,000. Funding for this work is available in:

Green Alley/Bio-Retention 60484 - 57570

If the committee agrees, the appropriate action would be to authorize the Mayor and City Clerk to enter into the agreement.

Sincerely,

John C. Rooney, P.E.
Commissioner of Public Works

Cc: Mayor Cory Mason
Paul Vornholt
Kathleen Fischer
Ron Pritzlaff
Ara Molitor
