Mr. John Rooney  
Assistant Commissioner of Public Works  
City Hall  
730 Washington Avenue  
Racine, WI 53403

Dear John,

Prior to the recent road reconstruction of Douglas Avenue, three large flower pots were located to the north of the Karl Jonas statue. Those flower pots were replaced with new ones as part of the overall enhancement of the area. The Douglas Avenue Business Improvement District (BID) was able to salvage the three pots in hopes of using them in other areas of the corridor.

The largest of the three pots was relocated to the new city park at Hamilton Street and Douglas Avenue. It makes a perfect focal point for the space. The Douglas Avenue BID is seeking your permission to relocate the two smaller pots to the corner of Charles Street and Douglas Avenue. Below is a rendering of how we would like to locate the pots.

The Douglas Avenue BID is willing to pay for the costs associated with relocating the pots and for the plantings that occur three times per year. Thank you for your consideration. Please let me know if you need any additional information or if there are any committee or Common Council meetings that I should attend.

Sincerely,

Devin Sutherland  
Executive Director
