Narrative, Schedule, Route/Site Map, Stage-on-Wheels

Narrative:

Please provide a narrative of the event. If your event is a new event, provide a detailed "Letter of Request" on a separate sheet of paper.

See attached file

Event Schedule:

The schedule begins when event set-up starts and ends when clean-up of the event area is complete, all equipment is removed, and the park is available for regular use.

The schedule should include all activities planned for the event, including but not limited to:

- General: set-up, hours of operation, teardown/clean-up, leave park
- Vending: when vendors will set-up, hours of operation, teardown/clean-up, leave park
- Music/Performance: stage set-up, performance schedule, teardown/clean-up, leave park
- Displays, Exhibits, Demonstrations: set-up, open hours, teardown/clean-up, leave park
- Run/Walk/Parade, etc.: when staging starts, start time(s), end time(s), set-up, clean-up, leave park

Example: 8:00 am	Example: Set-up

Site/Placement Map:

Please attach a detailed event route/site map and/or Stage-on-Wheels placement map.

Site map should include, but is not limited to, the following:

- Accessible paths for wheelchairs
- Disabled parking
- Dumpsters
- Exit location for fenced outdoor events
- Event perimeter
- Fencing
- Garbage and recycling receptacles
- Placement of vehicles
- Portable toilets
- Signage
- Stages
- Temporary structures
- Vendors

If the event includes a run/walk component on City streets, the approval of the City of Racine Parks, Recreation, and Cultural Services Department for the use of the park **does not imply approval of the proposed route**. Routes need to be approved through Department of Public Works and City of Racine Police Department.

What impact do you anticipate your event will have on the residents/businesses in the areas surrounding the park? Consider things such as noise, parking, traffic, etc. What plans do you have to minimize these impacts?

We are a return event. We held one event in May of 2023 where we served 175 animals at Lincoln Park. We also held an event in August of 2022 where we served 80 animals at Heck Park (poor weather impacted turnout). Below is the narrative WHS submitted as part of our application for each of those events.

Request: The Wisconsin Humane Society is looking to host a large-scale pet vaccination event for cats and dogs who live in the 53404 zip code. We are hoping to hold this event on a Saturday in May in Lincoln Park. We hope for Saturday, May 4th but request Saturday, May 11th as a backup if the 4th is already booked.

Context about WHS and the medical services we offer: The Wisconsin Humane Society (WHS) is the largest and oldest animal welfare organization in Wisconsin. We operate shelters in Milwaukee County, Ozaukee County, Brown County, Door County, and, of course, Racine County. We also operate a high-quality, low-cost spay neuter clinic in West Allis.

In all of communities we serve, including Racine, we offer low-cost medical services to owned animals, mostly dogs and cats. We offer spay/neuter surgeries and core vaccines (rabies and distemper/parvo) for dogs and cats. We regularly host vaccine clinics at our shelter locations; community members can make an appointment to get their dog or cat vaccinated. We also have hosted annual outreach events where we offer free vaccines for dogs at cats at the Franklin Square Playground within the Milwaukee Public School parks and recreation system. Franklin Square Playground is a park in Milwaukee's 53206 zip code, the zip code with the highest rate of poverty and least access to many community services, including veterinary care. We know residents in that zip code face many barriers to accessing services for the pets they love, and by hosting these large-scale events in the community with free vaccines, we're able to remove geographical and financial barriers.

There is public health benefit to these events, since we're able to bring vaccines that prevent rabies, a zoonotic disease that is transmissible to humans, to animals who may not otherwise have access to vaccines. In addition, reducing disease like parvovirus reduces suffering or animals and the families who love them.

Details about the event: This event will be modeled after the events we have successfully run in 2022 and 2023 in Racine. Key details include:

- WHS expect to serve around 200 community animals.
- The event would run from roughly 9 a.m. to 1 p.m., and we'd like to permit the park from roughly 7 a.m. to 3 p.m. to account for setup and tear down.
- It is a rain or shine event so we use a handful of small pop-up tents, which do not need to be staked into the ground, for our veterinarians to work under in event of rain or blaring sun.
- We pick up animal droppings during and after the event.
- Our staff and volunteers require access to the restroom facilities at the park

Thank you for your consideration, and we're excited to partner with you to bring these important services to the community we share. Please reach out with any questions about our request.
