TO: Alderman Ron Hart, Chairman
Public Works and Services Committee

FROM: John Rooney
Assistant Commissioner/Engineering

RE: Proposal for Marino Park and State Street Storm Sewer

We have received a proposal from Earth Tech for the Marino Park and State Street Storm Sewer. The proposal is in the amount of \$41,360. It is for storm sewer relay design, sanitary sewer replacement and abandonment of storm sewer and construction related services in Marino Park and in State Street. Funding is available in Account No. 104.985.5420, Storm Sewers-Variou Locations.

If the Committee agrees, the appropriate action would be to approve the proposal and authorize the Mayor and City Clerk to enter into the agreement.
