

June 27, 2019

Dear Mayor Mason and Common Council,

Racine Area Manufacturers and Commerce (RAMAC), the chamber of commerce of the greater Racine area, is requesting to hold a special event at 300 5<sup>th</sup> Street. We would like to close the block immediately in front of our building on 5<sup>th</sup> Street – between Wisconsin Avenue and College Avenue – on August 15, 2019. We would like to hold August 22, 2019 as a rain date as well.

As a benefit and service to our members, RAMAC facilitates networking events each month. In the month of August, RAMAC would like to hold a special summer block party at our location on 5<sup>th</sup> Street in downtown Racine. Our networking events are very popular as a way for members to meet each other and build relationships in a relaxed, social setting. We also plan to partner with a few RAMAC member members for them to put up tents or booths to also be involved. It is a free event open only to our membership.

We hope you will approve our request for a special event to support the business community.

Sincerely,

Anna Clementi  
Operations Supervisor

\* Time of event is  
5pm to 7pm.  
- would like to close  
starting at 3pm if  
possible for setup.
