To the attention of the Transit & Parking Commission:

The Monument Square Art Festival Board of Directors is requesting the use of Lot #5 on Saturday, June 1<sup>st</sup> and Sunday, June 2<sup>nd</sup>, 2013 to provide parking for the artists participating in the art festival. In the past the event has always provided specific parking for the artists. They receive a packet describing how to locate Monument Square and this also includes information on where to park. Since many of these people are visitors to our city, this service has been greatly appreciated. It is understood that the fee is \$280.

Thank you for your consideration of this request and I look forward to your response.
