Assistant Commissioner of Public Works/Engineering

Re: Proposal for 2011 Racine Illicit Discharge Detection and
Elimination Support Program

We have received a proposal from AECOM for the 2011 Racine Illicit Discharge Detection and Elimination Support Program. The proposal is in the not-to-exceed amount of \$20,000. Funding is available in Account No. 104.000.533, Monitoring Detection Enforcement. It includes annual field testing, drainage, system review, and follow-up investigation, meetings and summary reports.

If the Committee agrees, the appropriate action would be to approve the proposal and authorize the Mayor and City Clerk to enter into the agreement.
