Ald. Sandy Weidner  
Chairwoman, Public Works  
and Services Committee  
Racine, Wisconsin

Dear Ald. Weidner:

I am requesting permission to extend our current DS3 internet service for a 5-year period. We currently have 23 DS1 circuits on this system with some of them nearing the expiration date. Since these DS1 circuits were all installed on different dates, my request is to extend the DS3 service for another 5-year period including all the DS1 agreements associated with this function. This agreement will provide a single time period for all these necessary DS1 circuits which will be a cost effective and simpler means for this service. The cost for this service will match our current \$1500 per month fee for DS3 service and the current \$98 per month fee for the DS1 services.

The estimated cost for this service is \$2500.00 per month.

Sincerely,

A handwritten signature in blue ink, appearing to read "T. Eeg", is written over the printed name of Thomas M. Eeg.

Thomas M. Eeg  
Assistant Commissioner of Public Works/Operations
