Re: Electronic Recycling 5-Year Agreement with Dynamic Lifecycle Innovations

We have received a 5-year electronic recycling agreement from Dynamic Lifecycle Innovations. Dynamic Lifecycle Innovations is the only recycling source in the State that can address TV recycling, which is the primary means for this agreement.

The term of this agreement is sixty months, commencing on January 1, 2020 and ending on December 31, 2024. Any renewals shall be agreed upon by both parties within sixty days of the contract termination period.

Funding to cover the cost of this agreement is available in Org-Object 22140-52200, Recycling-Contracted Services.

Sincerely,

A handwritten signature in black ink, appearing to be "T. Eeg", written over a horizontal line.

Thomas M. Eeg
Assistant Commissioner of Public Works/Operations
