Dear Mayor Dickert and The Common Council;

I, Caleb Robinson, the owner of Top Dogs Hot Dogs am seeking permission to sell hot dogs in the downtown Racine area. In correspondence with applicable laws and procedures, Top Dog Hot Dogs' intension is to sell hot dogs in the area of monument square where previous sales have taken place. Whether these laws and procedures permit selling on monument square or on the surrounding sidewalks, Top Dog Hot Dogs is willing and ready to work with the city. We look forward to providing a positive service to the patrons and visitors of downtown Racine.

Cordially,
