Dear Ms. Payne,

I was given your name and address by Dan Dematthew, Racine PD. He said you were the person to contact in regards to requesting a crossing guard at a specific location. I am interested in having a crossing guard at the corner of Goold and Geneva for the 2009 - 2010 school year.

My son attends Trinity Lutheran School at Goold and Geneva. He walks home from school at the present time because the principal is kind enough to assist him across the street. Trinity has no crossing guard programs at the school with the upper grades. The start time for the 2009 – 2010 school year is not definite due to Unified bussing issues, but should be about 9:00 give or take 10 minutes. I realize that there is a crossing guard on Goold a few blocks away for Roosevelt school but unfortunately, they have a different start time than Trinity. I have contacted my alderman David Mack but at this time have not had a response. Please let me know if there is anything further information that you need from me or if there is someone else I need to contact.

Thank you very much for your assistance in this matter.

Sincerely,

Lisa Baker
