Chairman, Finance and
Personnel Committee
Racine, Wisconsin

Dear Ald. Spangenberg:

We are requesting authorization to submit a Focus on Energy Grant Application to WE Energies for upgrading the exterior light fixtures at the Racine Salt Shed with more energy efficient LED lighting.

The estimated project cost is \$3,880 and will result in an annual electric cost savings of \$519. The grant is in the estimated amount of \$155, resulting in an estimated 7.5 year payback.

Sincerely,

Thomas M. Eeg
Asst. Comm. of Public Works/Operations

RE: Grant Application (Racine Salt Shed Exterior – LED Upgrade #17181)

Dear Thomas:

I have enclosed the Grant Application and the Customer Survey for the Focus on Energy Implementation Grant – Project #17181/7039 for an incentive amount of \$155.00.

Please sign the Grant Application and return it to Chuck Zinda in the enclosed envelope along with the Customer Survey.

Upon receipt of the application and survey a Project Completion Notice will be sent to you. When the project is completed you will need to send me the completed Project Completion Notice and copy of the final Invoice for the project. Once we do so, and the final documents are executed you can then expect payment within approximately 90 days. Payment will arrive addressed to you, via US Mail, from the Wisconsin Energy Conservation Corporation (WECC), which administrates the Focus on Energy Schools and Government Program.

Should you have any questions or concerns, please feel free to contact Chuck Zinda at email address czinda@cesa10.k12.wi.us or office phone (888) 947-4699. Thanks again for the opportunity to work with you on your project!

Sincerely,

A handwritten signature in cursive script that reads "Ann Whittaker".

Terms & Conditions - Energy Advisor and Customer

We, the undersigned, agree that to the best of our knowledge, the energy-efficiency measures listed above are representative of the project we expect to implement as part of the Focus on Energy Program. We understand that grant amounts are determined from the Customer-specific data submitted on this application form and that grants for similar measures may vary from Customer to Customer based on specific cost and savings. Submission of this application does not guarantee that the applicant will receive funding or specific level of funding. Focus on Energy may conduct a pre-installation inspection to verify savings. **We Have read the "Grant Agreement Terms & Conditions" attached to this grant application and agreement form and understand them.** Retain a copy of the Grant Agreement Terms & Conditions for your records.

Any customer receiving an incentive check may be contacted by an evaluator to verify service/equipment installation or be asked to complete a customer survey.

Sign and return this grant by 9/28/2009 to reserve funds for this project. Your project must be completed by 12/31/2009 to receive payment.
