MEMBERS OF THE COMMON COUNCIL

RE: Claim(s) for damages/reimbursement

Dear Mayor Becker and Aldermen:

The following claim(s) has/have been received as indicated below, and this office has gathered information to assess the claim(s). Based upon the information that is available to me, it is my recommendation that the claim(s) be denied.

- Xochitl Julian, 418 Randolph St, claims reimbursement for injuries and damages in the amount of \$5741.45 arising from her trip and fall in the area of the doorway threshold at City Hall on December 12, 1005. Ms. Julian asserts the floor was unsafe due to snow being tracked in on people's feet. The City denies any negligence in the manner of snow removal.

Very truly yours,

Scott Lewis
Assistant City Attorney
