Honorable Mayor and Members of the Common Council
730 Washington Avenue
Racine, Wisconsin 53403

Dear Honorable Mayor and Council Members:

I received a request from Gorman and Company for a reduced rate for their construction employees to park in the Gaslight Parking Ramp during construction of their building at 2nd and Main Street. They anticipate the need to park between 100 and 125 vehicles per day for the 10 – 12 month duration of the project. Due to the volume of vehicles associated with this proposal, they are requesting a reduced entry rate of \$1.00 per vehicle instead of the current \$1.25 per vehicle rate.

Please refer this item to the Transit and Parking Commission for consideration and include Mr. Haddad in reference on the item.

Sincerely,

A handwritten signature in cursive script that reads "Thomas M. Eeg".

Assistant Commissioner of Public Works / Operations
