Dear Property Owner:

The City of Racine Plan Commission has received an application from Mark Zlevor, CFO representing Gateway Technical College seeking consideration of an amendment to the conditional use permit for the Gateway Technical College Campus at 1001 Main Street. In an effort to better identify buildings on campus, and to assist visitors, it is proposed to install building identification signage on the Lake, Technical, and Racine buildings. The specific location is shown as "Subject Property" on the map below.

The Commission has scheduled a public hearing at which you can be informed of the details of the request and where your views regarding the proposal may be expressed. The hearing will be held on **Wednesday, July 9, 2008 at 4:30 p.m., or soon thereafter, in Room 205 of City Hall, 730 Washington Ave.**

If you have any questions, feel free to contact the Department of City Development at 636-9151.
