Members of the Traffic Commission,

Due to the recent renovations to the apartments on Anthony Lane, the apartment management company has begun renting the spaces in their off-street parking lots to their tenants. This in effect has moved many of the residents' vehicles to on-street parking as they do not wish to pay for parking. This in turn has increased the amount of vehicles regularly parked around the Anthony Lane COP house, at the corner of Romaine Avenue and Anthony Lane, causing police officers and probation and parole agents to park one to two blocks away from the house in which they work.

The Police Department is requesting that the south curb on Romaine Avenue, from Anthony Lane to the first driveway east of Anthony Lane, be posted as Law Enforcement Only parking. This will provide adequate space for law enforcement and probation and parole to park and conduct business within the Anthony Lane COP house while having their vehicles easily accessible adjacent to their house.

I have attached an overview graphic of the area being requested.

On behalf of the Racine Police Department, I thank you for your consideration of our request.

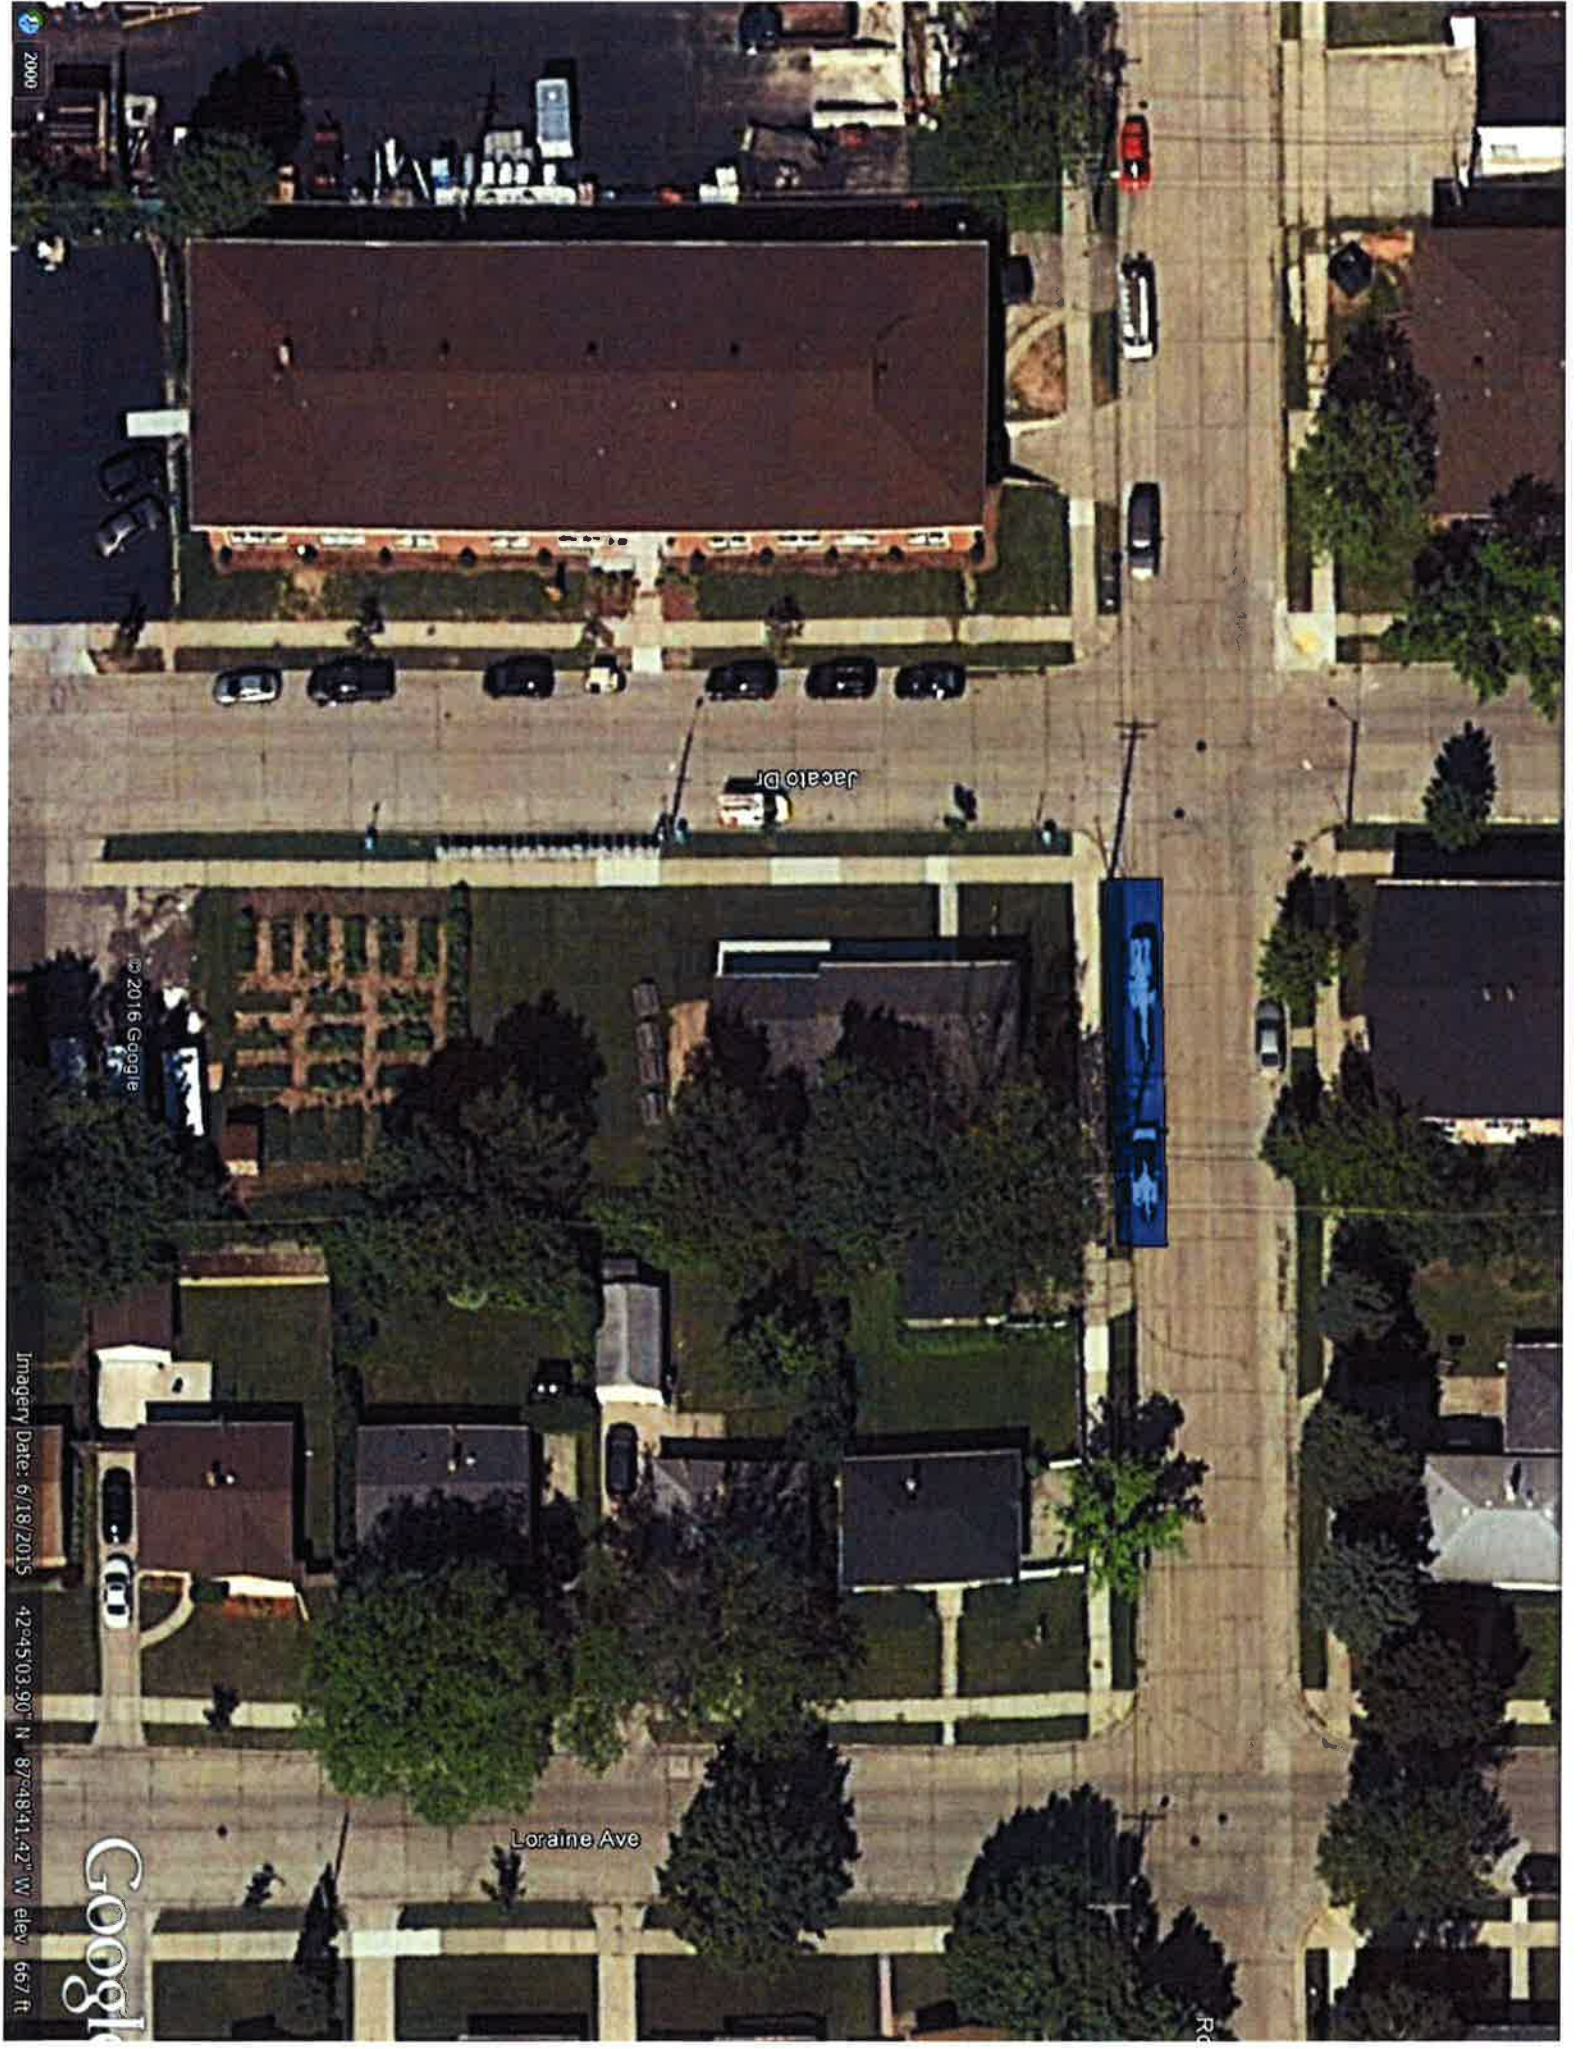

Lt. Dave Wohlgemuth
