RE: Proposal for Pavement Inspection and Planning

We have received a proposal from Earth Tech for the 2007 Pavement Management Inspections. The proposal is in the not-to-exceed amount of \$74,700. It includes INFRA/PAVE edits, PCI Inspections, GIS Updates, Electronic Deliverables and on-call services in the support of the system. Funding is available in Account No. 101.130.5610, 2007 Professional Services.

If the Committee agrees, the appropriate action would be to approve the proposal and authorize the Mayor and City Clerk to enter into the agreement.
