December 13, 2023

Dear Common Council Members,

I am requesting free parking at the Racine Public Library for the VITA program. This program is run through United Way. They provide free tax preparation for qualifying individuals. We partner with them and provide them space at the library for this program.

The dates needed are Tuesdays, January 23rd - April 16th from 3pm - 6pm and Thursdays, January 25th - April 12th from 9am - 3pm.

We request four parking spaces on Lake Avenue outside our entrance and the patron lot on Library Drive.

Thank you for your consideration.

Sue McGrath

Adult Service Librarian
