RE: Proposal for Construction Management for Sewer Lining

We have received a proposal from Earth Tech for Construction Management Services for the 2008 Sanitary Sewer Lining. This proposal is for following the contract and all incidentals that go with the construction management. The proposal is in the not-to-exceed amount of \$53,670 and funding is available from the Racine Wastewater Utility.

If the Committee agrees, the appropriate action would be to approve the proposal and authorize the Mayor and City Clerk to enter into the agreement.
