**Importance:** High

Officer Simon:

The lot is about 65' long. Do you need a space designated for the van...say 25'? This would then allow neighborhood off-street parking to utilize the street in front of the COP house as well. Let me know ASAP.

Also, this will need to be approved by Public Works & Services Committee as it requires a modification into the muni code as a parking restriction. I will place it on the 4/9/19 agenda. Shall I invite you or someone else from RPD if the committee has questions?

Good Afternoon,

The probation and parole agents have a municipal van that they use for home visits. They would like a sign to denote a permanent spot on Geneva St just south of Hamilton St on the west side of the road marked for law enforcement vehicles only. This will allow them to leave the van parked outside the COP house and not have to drive back and forth to Center St each day they use the van.

Please let me know if you need any additional information.

Thank you,

Officer Simon #7501
