Subject: HGTV's Lakefront Bargain Hunt Renovation - North Beach Request

Hi Cathleen!

Thank you so much for helping me with this!

Here's some info on our show and what we are going to film.

Our show is Lakefront Bargain Hunt Renovation that airs on HGTV. It is a house-hunting style show with a lakefront theme.

There are a few scenes that we are interested in filming at North Beach Park. We will film one or two 'activity' scenes with the family we are filming with where they are playing volleyball or enjoying the beach. These scenes usually take a half hour to film.

Another scene we may film is called our 'decision' scene. This is when we sit our couple in two beach chairs close to the water and have them discuss the houses they have looked at and their potential interest in purchasing those properties.

We are a small crew of 7 people and will have 3-4 people with us who will be on camera. The production has two mini-vans and we have minimal gear. We will **not** be amplifying music and we will **not** need any areas closed just for us. We are happy to share the space with people and we usually try to find an area that is secluded or not as populated so that we do not interfere with anyone else using the park.

Our schedule is still being set and it often changes while we are filming. We are requesting access to the park from sunrise to sunset on 8/11 & 8/12. Please let me know if you need any additional information. If the City of Racine would like a COI, we would be happy to provide one.

Thank you so much!

-Mike
