Legistar Item: 1301-19

To: Alder Tate II, Chairman  
Public Works and Services Committee

From: John Rooney   
Commissioner of Public Works/City Engineer

Re: Professional Services Agreement – WIS 32 Reroute Preliminary Investigation  
(Contract 20190138)

We have received an agreement between the City of Racine and Strand Associates, Inc., to provide engineering services for the WIS 32 Reroute Preliminary Investigation project. These services are to vet the feasibility of a jurisdictional transfer from STH 32 (Main Street) and STH 20/32 (Sixth Street) to other nearby roadways.

The scope of services include:

- Perform a field review of critical geometrics of Wisconsin Avenue, Lake Avenue and Marquette Street.
- Provide Initial alternatives layout.
- Draft turning paths of WB-65 design vehicles using AutoTurn software.
- Develop planning-level opinions of probable construction costs based on order-of-magnitude factors and approximate construction limits.
- Develop potential next steps in a brief report.

The cost of the services is in the not-to-exceed amount of \$28,600.00. Funding to defray the cost of these services is available in Org-Object 45040-57500, DPW-Paving.

If the Committee agrees, appropriate action would be to approve the agreement and authorize the Mayor and City Clerk to enter into the agreement.
