Subject: FW: Stop Sign Question

13-8572

For your department I believe?

Let me know!

Take care!

Subject: Stop Sign Question

Please forward if this is the wrong department?

I would like to request a '4 way, or all way' stop at the intersection of Franklin & 20th Streets.

There are two elementary schools here, and a lot of stopped traffic. Hard to see oncoming cars that don't need to stop on Franklin.

Thank you for your consideration.

Charlie Petrach

President
