April 28, 2009

Ald. Gregory D. Holding  
Chairman, Public Works  
and Services Committee  
Racine, Wisconsin

Dear Alderman Holding:

Resolution 08-1049 approved the City's participation in the last phase of the KRM commuter rail project. The original agreement called for a joint partnership with \$800,000 of federal funding, \$100,000 of state funding, and funds to be provided by the City of Racine either in cash or in-kind services of \$16,677.

It is necessary to amend this agreement due to increased costs, which will increase the City's share to \$22,500, or an increase of \$5,823, which again may either be paid in cash or through in-kind services.

As a member of the technical committee for KRM, all of my wages paid as part of this project are satisfied against these costs.

Sincerely yours,

Richard M. Jones  
Comm. of Public Works/City Engineer
