Legistar Item: 11-6681

TO: The Mayor and Members of the Common Council

FROM: Al Stanek
Transit and Parking System Manager

SUBJECT: Authorization to enter into an Intergovernmental Cooperative Purchasing Agreement with Kenosha Area Transit.

Request to authorize the City Purchasing Agent to enter into an Intergovernmental Cooperative Purchasing Agreement with Kenosha Area Transit for a potential "piggy-back" purchase of as many as fourteen 35' Gillig city transit busses. "Piggy-backing" on to a Kenosha purchase contract fast tracks delivery of more energy efficient busses at a large order purchase price as opposed to a generally higher individual purchase. Potential bus replacement local costs will not exceed amounts provided for in Racine Capital Improvement Programs (CIP) and will be in conformity with the regional plan commission Transportation Improvement Program (TIP).
