

Amendment to Alcohol Beverage License Application

I have applied for an alcohol beverages license with the City of Racine and would like to submit the following amendment(s) to my license application:

- 1) Amend premises description to state, "First floor bar, restaurant and kitchen area; drive-through area including nearby designated parking spaces along the fence for pickup; and covered patio."

- 2) Drive-through alcohol sales shall be made with the following conditions:
 - a. Any person ordering alcohol through the drive-through must pay at the window and park at one of the marked spots for order pickup. A licensed bartender will then deliver the alcohol to the vehicle and check for IDs.
 - b. Only the following drinks may be ordered and sold through the drive-through: 1) pre-packaged margarita containers in their original packaging; and 2) personal size 50 ml tequila bottles in their original packaging.
 - c. Alcohol may not be purchased through online orders for pickup in the drive-through.
 - d. There will be a maximum of three (3) alcohol containers per drive-through order and per vehicle.

I understand that the above amendment(s) will be made a part of my license application and that I will be required to abide by and operate according to the above terms if my license is approved.
