And Services Committee

Dear Ald. Hart:

We are requesting authorization to submit a Focus on Energy Grant Application to WE Energies for the replacement of metal halide light fixtures at the Solid Waste Garage with more energy efficient LED lighting.

The estimated project cost is \$29,000 and will result in an annual electric cost savings of \$5,931. The grant is in the amount of \$5,691, resulting in less than a 4 year payback.

Sincerely,

Thomas M. Eeg
Asst. Comm. of Public Works/Operations
