Dear Sirs and Madams:

In regard to our stone in Graceland Cemetery in Section T, Crypt 20, we request the following additions:

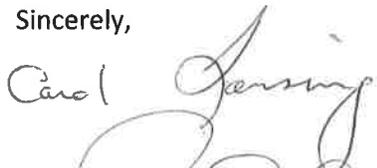

- (1) Add a cross between the names "Carol" and "Richard Jr."
- (2) Under the name "Carol" in smaller 1" lettering, add her maiden name "Gabbert"

The first request is that we are devote Christians, but did not know that we could have a cross on our stone. We noticed later that some of our future neighbors did have a cross on their crypt stone.

The second request is due to our experience in finding out about Carol's ancestors by searching for family headstones in Oshkosh, WI. We found a [tormaiocco@fjdahill.com](mailto:tormaiocco@fjdahill.com) mbstone for a "Marie Schmidt" in the Gabbert family plot. It took extra research on Ancestry.com before we found out her maiden name was Gabbert and that she was my grandfather's sister.

We deeply appreciate your consideration in this matter.

Sincerely,

Carol Lansing
