8	It looks like there is hope for making downtown Racine a place I can enjoy living in. Currently the traffic is dangerous, given the speeds driven. In our time living here we have seen a number of people killed at the intersection of main and state.	11/19/2020 7:14 PM

1	More open discussion, send survey after when sending recap	11/19/2020 9:47 PM
2	Would appreciate more clarity as to what the city is going to do, if anything.	11/19/2020 7:41 PM
3	Send the presentation deck to attendees afterwards or better yet, make it available to the public. Or even post a recording of the entire meeting (if you recorded it—I didn't notice). Having the meeting right at supertime might not have been the most convenient timing for many people.	11/19/2020 7:28 PM
4	The underlying thesis of ruining downtown in favor of an expanded monument square plus bike lanes and pretty trees is stupid.	11/19/2020 7:27 PM
5	Nothing	11/19/2020 7:24 PM
6	Nothing	11/19/2020 7:14 PM

## Q5 Was there any information that would have been helpful to know before the meeting?

Answered: 17 Skipped: 6

#	RESPONSES	DATE
1	The Toole Design Plan could have been sent out ahead of time since that has been adapted in to the City of Racine Plan.	11/20/2020 7:01 AM
2	City plans	11/19/2020 9:47 PM
3	Whether the city intends to address traffic concerns in downtown or not.	11/19/2020 7:41 PM
4	Actually I have heard much of this before, from the preliminary public meetings. So I pretty much knew what was being proposed. Better promotion of the meeting might have pulled in more attendees.	11/19/2020 7:28 PM
5	The impact on downtown business was missing.	11/19/2020 7:27 PM
6	None	11/19/2020 7:24 PM
7	The options the City is looking at in advance	11/19/2020 7:09 PM
8	Perhaps having the slides available before the meeting but not a major point.	11/19/2020 7:08 PM
9	No, I think it was necessary to hear the presentation and more helpful for materials to have materials available afterwards.	11/19/2020 7:08 PM
10	If the general plan could have been emailed to registered attendees or posted somewhere for community to review prior to the meeting I think that would have been helpful.	11/19/2020 7:08 PM
11	No	11/19/2020 7:07 PM
12	diagram of proposed route ahead of time	11/19/2020 7:06 PM
13	No	11/19/2020 7:06 PM
14	The costs to do any project like this are going to be big, so nice to dream big but keep cost perspective in mind.	11/19/2020 7:03 PM
15	Nothing that I can think of	11/19/2020 7:00 PM
16	I would have like to see a study on how traffic would be impacted in my neighborhood.	11/19/2020 6:59 PM

## Q7 What other feedback would you like to share?

1	For those who are unfamiliar with the downtown streets, some actual photos of the areas might help, (maybe there were some but I missed them while making supper) or better yet, short videos of a drive-through (or drone flyover?) of those areas. Especially the Marquette Street area. .	11/19/2020 7:28 PM
2	The underlying thesis of ruining downtown in favor of an expanded monument square plus bike lanes and pretty trees is stupid.	11/19/2020 7:27 PM
3	Thank you!	11/19/2020 7:24 PM
4	I am concerned about how long traffic will be stopped and the congestion that will be caused on Main street as cars try to parallel park. If there is only one lane, traffic will be stopped completely in that direction until the car is parked. Also, what about truck deliveries to the Main Street businesses? How will this be managed. Again, if there is only one lane in each direction, the delivery truck will bring traffic to a complete stop. On another note, I am a new business owner on State St and I was a little concerned about the traffic being diverted in front of my business. I was happy to see the plan includes creating two way traffic on Lake Ave and Wisconsin Ave. I like this idea as the traffic will get more evenly disbursed. However, I do feel the speed limit on all of these downtown roads (Main St, Lake Ave, Wisconsin Ave, State St, ect) should be lowered to increase the safety of pedestrians.	11/19/2020 7:19 PM
5	Please work toward these goals.	11/19/2020 7:14 PM
6	Angle parking on Main St is a bad idea	11/19/2020 7:09 PM
7	Very glad to see bike routes included.	11/19/2020 7:08 PM
8	Great job Kimberly and Dr. Arletta!	11/19/2020 7:08 PM
9	keep on soliciting feedback!	11/19/2020 7:08 PM
10	Excellent job!	11/19/2020 7:08 PM
11	Thank you for the great meeting!	11/19/2020 7:08 PM
12	c'est tout!	11/19/2020 7:06 PM
13	□	11/19/2020 7:06 PM
14	Keep in mind that the police force and mayor Mason team do a good job to keep the traffic obeying the posted speed limits and stop light signals. It is a sad trend that the general public feels they are not subjected to obeying those rules, no cop no stop, and I can go as fast as I want even if 25 mph speed is posted. There is always an issue the police concern themselves with as coming down to hard so be careful what you wish for, you may get people avoiding Main St all together if its a known make a mistake get a ticket. Just my opinion.	11/19/2020 7:03 PM
15	See 3 above.	11/19/2020 7:03 PM
16	Nicely done. Thank you for the virtual opportunity	11/19/2020 7:00 PM
