To: The Honorable John Dickert & Members of the Common Council

From: David L. Maack  
5<sup>th</sup> District Alderman

Memo Re: Lakeview Parking Lot

The Friends of Seniors is requesting that an ordinance be enacted which would designate the Lakeview Parking Lot as Senior Center Parking only during designated times. I would request that this communication be referred to the appropriate committee and that the FOS be invited to address their concerns.

Thank you for your consideration.
