RE: Official Notice #5 Recommendation

DATE: May 9, 2014

I have reviewed the Bidder's Proposals submitted for Official Notice # 5. It is my recommendation that we purchase the Mack LEU613 chassis with the Leach 2R111 refuse packers from the Kriete Group. They were the lowest responsive, responsible bidder.

The price for the two complete units would be \$377,400. Funds are available in account 944.400.5010. Should you have any questions or concerns with this recommendation please contact me.
