Re: Amendment 1 to the Professional Services Agreement with Ayres
Associates Inc. for Construction Related Services, State Street Bridge
Structural Repair and Painting

On February 22, 2022 Ayres Associates, Inc. was issued a purchase order for professional engineering services in the structural repair and painting of the State Street Lift Bridge. They completed design, specifications and estimates.

Amendment 1 to this professional services agreement includes:

1. General Contract Administration
2. Construction Observation and Inspection
3. Review of Shop Drawings and Submittals
4. Project Close-Out Services

Staff Recommends that Amendment 1 to the Professional Services Agreement with Ayres Associates Inc. be approved in the not to exceed amount of \$114,622.56. These funds are reimbursed by the Wisconsin Department of Transportation through the Lift Bridge Aids Program 86.32(2)(a). Funds to defray the cost of this Amendment are available in Orb –Obj 20132 52100.

If the Committee agrees, the appropriate action would be to approve Amendment 1 and direct the Mayor and City Clerk to sign the amendment.
