Alderman Jim Morgenroth, Chairman
Public Works and Services Committee
Racine, WI

Dear Alderman Morgenroth:

Submitted for your review is Amendment No. 1 to Contract 24-15 (K5-024) (20150024), PS – Library Chiller Replacement, Angus Young, consultant.

The amendment is in the not-to-exceed amount of \$5,900. We have funding provided in the 2015 CIP for the replacement of the existing water cooled chiller system at the Library in Org-Object 22055-57200, Library Chiller. We requested that Angus Young review this site to determine if the facility could accommodate an air cooled chiller system, comparable to the system that was installed last year to accommodate the City Hall Facility. The air cooled unit greatly reduces maintenance needs versus the water cooled units, so it would be a feasible option if cost effective.

Sincerely,

A handwritten signature in blue ink, appearing to read 'T. Eeg', is written over the word 'Sincerely,'.
