Re: Professional Services Agreement for Contract 55-14 (K4-055) Retaining Wall – Riverside and Roe

We have received a Professional Services Agreement from R.A. Smith National for engineering services for the retaining wall near the intersection of Riverside and Roe. This proposal will continue/complete design work begun in 2013, under Arnold and O'Sheridan, Inc. under Contract 41-13 (K3-046) with the addition of construction administration services.

The agreement is in the not-to-exceed amount of \$18,685. Funding for this agreement is available in the 2015 CIP budget.

If the Committee agrees, the appropriate action would be to approve the proposal and authorize the Mayor and City Clerk to enter into the agreement.
