Sufficient revenues are hereby pledged to said Special Redemption Fund, and shall be used for no other purpose than to pay the principal of, premium, if any, and interest on the Prior Bonds, the Bonds, the Safe Drinking Water Bonds and any Parity Bonds as the same becomes due. In addition, the Bonds and any Parity Bonds are secured by a mortgage lien upon the System on a parity with the mortgage lien granted to the Prior Bonds. It is the express intent and determination of the Governing Body that the amounts transferred from the Revenue Fund (defined below) and deposited in the Special Redemption Fund (defined below) shall be sufficient in any event to pay the interest on the Prior Bonds, the Bonds, the Safe Drinking Water Bonds and any Parity Bonds as the same accrues and the principal amount hereof as the same matures, and to provide any amounts required to be paid monthly into the Reserve Account (defined below) to maintain the Reserve Requirement.

Section 6. Funds and Accounts. In accordance with the Act, for the purpose of the application and proper allocation of the revenues of the System, and to secure the payment of the principal of and interest on the Prior Bonds, the Bonds, the Safe Drinking Water Bonds and any Parity Bonds, certain funds of the System were created by the Ordinance, continued by the 2007 and 2009 Resolutions and are hereby continued to be used solely for the following respective purposes:

(a) Waterworks Revenue Fund, into which shall be deposited as received the entire Gross Revenues of the System which monies shall then be divided among the Operation and Maintenance Fund, the Special Redemption Fund, the Depreciation Fund and the Surplus Fund in the amounts and in the manner set forth in Section 7 hereof and used for the purposes described below;

(b) Waterworks Operation and Maintenance Fund (the "Operation and Maintenance Fund"), which shall be used for the payment of Current Expenses;

(c) Waterworks Special Redemption Fund (the "Special Redemption Fund"), which shall be divided into two separate accounts to be known as the "Interest and Principal Account" and the "Reserve Account".

(i) There shall be deposited in the Interest and Principal Account

from Bond Proceeds and any Parity Bond proceeds all accrued interest and any premium not used for the Refunding. In addition, there shall be deposited in said account in the manner specified in Section 7 hereof, an amount sufficient (after giving effect to available amounts in said account from accrued interest, any premium not used for the Refunding, investment earnings and any other source) to pay the principal of and interest on, first, the Prior Bonds, the Bonds and any Parity Bonds and second, the Safe Drinking Water Bonds, as the same becomes due. The Interest and Principal Account shall be used solely for the purposes of paying principal of and interest on the Prior Bonds, the Bonds, the Safe Drinking Water Bonds and any Parity Bonds in accordance with the provisions of this Resolution.

The minimum amounts to be so deposited in the Interest and Principal Account for debt service on the Bonds, in addition to the amounts required to be deposited for debt service on the Prior Bonds and the Safe Drinking Water Bonds, are set forth on the Schedule.

(ii) There shall be deposited into the Reserve Account an amount sufficient to make the amount on deposit therein equal to the Reserve Requirement. The Reserve Account shall be used solely for the purpose of paying principal of or interest on the Prior Bonds, the Bonds or any Parity Bonds at any time when there shall be insufficient money in the Interest and Principal Account. The Reserve Account shall be funded and replenished in the manner specified in Section 7 hereof. The Safe Drinking Water Bonds are not secured by the Reserve Account.

(d) Waterworks Depreciation Fund (the "Depreciation Fund"), which shall be used primarily to make good any depreciation in the System, to extend and improve the System, to make extraordinary repairs or replacements to the System and to make transfers to the Surplus Fund as provided in Section 6(e) hereof but which also may be used for the payment of principal of and interest on the Prior Bonds, the Bonds, the Safe Drinking Water Bonds and any Parity Bonds at any time when there shall be insufficient money in the Special Redemption Fund and to remedy any deficiency in the Special Redemption Fund; and,

(e) Waterworks Surplus Fund (the "Surplus Fund"), which shall first be used whenever necessary to pay principal of or interest on the Prior Bonds, the Bonds, the Safe Drinking Water Bonds and any Parity Bonds when the Special Redemption Fund shall be insufficient for such purpose, and thereafter shall be disbursed as follows:

(i) at any time, to remedy any deficiency in any of the funds or accounts provided in Section 7 hereof; and,

(ii) money thereafter remaining in the Surplus Fund at the end of any Fiscal Year may be transferred to any of the funds or accounts created herein (including the Waterworks System Improvement Fund), or to reimburse the general fund of the Municipality for advances made by the Municipality to the System.

Section 6A. Deposits and Investments. The Interest and Principal Account and the Reserve Account of the Special Redemption Fund each shall be kept apart from moneys in the other funds and accounts in the records of the Municipality and the Interest and Principal Account shall be used for no purpose other than the prompt payment of principal of and interest on first, the

Prior Bonds, the Bonds and any Parity Bonds and, second, the Safe Drinking Water Bonds as the same becomes due and payable. The funds and accounts herein created may be temporarily invested until needed in legal investments.

Section 7. Application of Revenues. After the delivery of any of the Bonds or any Parity Bonds, the entire Gross Revenues of the System shall be deposited as collected in the Revenue Fund and shall be transferred monthly to the funds listed below in the following order of priority and in the manner set forth below:

(a) to the Operation and Maintenance Fund, an amount equal to the estimated Current Expenses for the current month and for the succeeding month (after giving effect to available amounts in said fund from prior deposits);

(b) to the Special Redemption Fund, for monthly transfer to the Interest and Principal Account thereof, an amount equal to one-sixth (1/6) of the next installment of interest coming due on the Prior Bonds, the Bonds, the Safe Drinking Water Bonds and any Parity Bonds then outstanding and an amount equal to one-twelfth (1/12) of the installment of principal of the Prior Bonds, the Bonds, the Safe Drinking Water Bonds and any Parity Bonds coming due on the next succeeding principal payment date (after giving effect to available amounts in said account from accrued interest, any premium not used for the Refunding, investment earnings or any other source). It is the express intent of the Governing Body that at all times the Interest and Principal Account constitute a "bona fide debt service account" and, be depleted (except for a reasonable carryover as defined in the Regulations) at least once a year. Prior to each interest and principal payment date, the Municipality shall transfer from the Interest and Principal Account to the Bond Registrar the amounts required for the payment of the interest and principal coming due on the Prior Bonds, the Bonds, the Safe Drinking Water Bonds and any Parity Bonds;

(c) to the Special Redemption Fund, for monthly transfer to the Reserve Account thereof, an amount equal to one-twelfth of the Reserve Requirement until the amount accumulated in the Reserve Account (after giving effect to amounts deposited in the Reserve Account from Bond Proceeds pursuant to Section 12 hereof, from any investment earnings or any other source) equals the Reserve Requirement. It is the intent of the Municipality that at all times the Reserve Account constitutes a "reasonably required reserve fund" under Section 148 of the Code and any applicable Regulations;

(d) to the Depreciation Fund, an amount of \$30,000; any money on deposit in the Depreciation Fund in excess of \$800,000 (or such larger amount as may hereafter and from time to time be established by the Governing Body), and not required during the current Fiscal Year for the purposes of said fund, may be transferred to the Surplus Fund; and,

(e) to the Surplus Fund, any amount remaining in the Revenue Fund after the monthly transfers required above have been completed.

Transfers from the Revenue Fund to the Operation and Maintenance Fund, the Special Redemption Fund, the Depreciation Fund and the Surplus Fund shall be made monthly not later than the 10th day of each month, and such transfers shall be applicable to moneys on deposit in the Revenue Fund as of the last day of the month preceding. Any other transfers and deposits within any fund or to any other fund or account required or permitted by

subsections (a) through (e) of this Section, except transfers or deposits which are required to be made immediately or annually, shall be made on or before the 10th day of the month. Any transfer or deposit required to be made at the end of any Fiscal Year shall be made within sixty (60) days after the close of such Fiscal Year. If the 10th day of any month shall fall on a day other than a business day, such transfer or deposit shall be made on the next succeeding business day.

It is the express intent and determination of the Governing Body that the amounts transferred from the Revenue Fund and deposited in the Special Redemption Fund shall be sufficient in any event to pay the interest on the Prior Bonds, the Bonds, the Safe Drinking Water Bonds and any Parity Bonds as the same accrues and the principal thereof as the same matures, and to provide any amounts required to be paid monthly into the Reserve Account.

Section 7A. Mortgage Lien. For the further protection of the holders of the Bonds, a mortgage lien is granted and created by Section 66.0621 of the Wisconsin Statutes and this Resolution, which lien is hereby recognized as valid and binding upon the Municipality and as a valid and binding first lien upon the System and any additions and improvements to be made thereto, on a parity with the mortgage granted to the owners of the Prior Bonds. In accordance with the provisions of Section 66.0621(4)(b) of the Wisconsin Statutes, such lien shall be perfected by recording this Resolution in the records of the Municipality.

Section 8. Service to the Municipality. The reasonable cost and value of services rendered to the Municipality by the System by furnishing waterworks services for public purposes, shall be charged against the Municipality and shall be paid by it as the service accrues, out of the current revenues of the Municipality collected or in the process of collection, exclusive of the revenues derived from the System, and out of the tax levy of the Municipality made by it to raise money to meet its necessary current expenses. However such payment out of the tax levy shall be subject to (a) approval of the Public Service Commission, or successors to its function, if necessary, (b) yearly appropriations therefor and (c) applicable levy limitations, if any; but neither this Resolution nor such payment shall be construed as constituting an obligation of the Municipality to make any such appropriation over and above the reasonable cost and value of services rendered to the Municipality and its inhabitants or make any subsequent payment over and above such reasonable cost and value. Such compensation for such service rendered to the Municipality shall, in the manner hereinabove provided, be paid into the Revenue Fund referred to in Section 6 hereof.

Section 9. Prior Lien Bonds; Parity Bonds. The Bonds are issued on a parity with the Prior Bonds and senior to the Safe Drinking Water Bonds. The Municipality will issue no other bonds or obligations of any kind or nature payable from or enjoying a lien on the revenues or the properties of the System having a priority over the Bonds or any Parity Bonds.

Additional bonds may be issued on a parity and equality of rank with the Bonds and any Parity Bonds with respect to the lien and claim of such additional bonds to the revenues and properties of the System and the moneys on deposit in the Special Redemption Fund, for the following purposes and under the following conditions but not otherwise:

(a) For the purpose of refunding any of the Bonds or any Parity Bonds which shall have matured or which shall mature not later than three (3) months

after the date of delivery of such refunding bonds and for the payment of which there shall be insufficient moneys in the Special Redemption Fund; and,

(b) For the purpose of refunding any outstanding Bonds or any Parity Bonds, or purchasing, acquiring, leasing, constructing, extending, adding to, improving, conducting, controlling, renewing, replacing, operating or managing the System, if all of the following conditions shall have been met:

(i) The Net Revenues for the last completed Fiscal Year preceding the issuance of such additional bonds must have been at least equal to one and one-quarter (1.25) times the highest combined annual interest and principal requirements on all Bonds and any Parity Bonds then outstanding payable from the revenues of the System (other than Bonds and any Parity Bonds being refunded), and the bonds so proposed to be issued, for any succeeding Fiscal Year in which there shall be a principal maturity on such outstanding bonds; provided, however, that if prior to the authorization of such additional bonds the Municipality shall have adopted and put into effect a revised schedule of rates, then the Net Revenues of the System for the last completed Fiscal Year which would, in the written opinion of an independent consulting engineer or independent certified public accountant employed for that purpose, have resulted from such rates had they been in effect for such period may be used in lieu of the actual Net Revenues for the last completed Fiscal Year;

(ii) The payments required to be made into the various funds and accounts provided herein must be current, and the Municipality must not be in default hereunder;

(iii) The additional bonds must be payable as to principal on September 1, of each year in which principal falls due, and payable as to interest semi-annually on March 1 and September 1; and,

(iv) The Reserve Account is funded to an amount equal to the Reserve Requirement applicable upon the issuance of Parity Bonds set forth in Section 1 hereof to the extent such funding complies with the applicable provisions of the Code and any applicable Regulations.

Section 10. Covenants Regarding Operation of the System; Books and Accounts; and Insurance. The Municipality hereby covenants and agrees with each and every holder of the Bonds and any Parity Bonds as follows:

(a) The Municipality will faithfully and punctually perform all duties with reference to the System required by the Constitution and Statutes of the State of Wisconsin, including lawfully establishing reasonable and sufficient rates for services rendered by the System and collecting, depositing, applying and segregating the revenues of the System to the respective funds and accounts provided for in this Resolution;

(b) The Municipality will not sell, lease, or in any manner dispose of the System, including any part thereof or any additions or extensions that may be made part thereto, except that the Municipality shall have the right to sell, lease or otherwise dispose of any property of the System found by the Municipality to be neither necessary nor useful in the operation of the System, provided the proceeds received from such sale, lease or disposal shall be paid into the Special Redemption Fund or applied to the acquisition or construction of capital facilities for use in the normal operation of the System, and such payment shall not reduce the amounts otherwise required to be paid into the Special Redemption Fund;

(c) The Municipality will maintain the System in reasonably good condition, will operate the System, and will establish, charge and collect such lawfully established rates and charges for the service rendered by the System, so that the amount of the revenues of the System herein agreed to be set aside to provide for payment of the Prior Bonds, the Bonds, the Safe Drinking Water Bonds and any Parity Bonds and the interest thereon as the same becomes due and payable will be sufficient for that purpose;

(d) The Municipality will prepare a budget not less than sixty (60) days prior to the end of each Fiscal Year and, in the event such budget indicates that earnings for each year will not exceed debt service for each corresponding year, will take any and all steps permitted by law to increase rates so that the earnings will equal or exceed debt service as promptly as possible;

(e) The Municipality will keep proper books and accounts relative to the System, separate from all other records of the Municipality, and will cause such books and accounts to be audited annually not later than six months after the close of each Fiscal Year by a recognized independent firm of certified public accountants, and will make available to the holders of any of the Bonds or any Parity Bonds the latest balance sheet and the profit and loss statement of the System as certified by such accountants. Any holder shall have the right at any reasonable time to inspect the System and the records, accounts and data of the System and the Municipality relating thereto. WHEREAS, the City of Racine, Racine County, Wisconsin (the "City") is presently in need of the sum of \$8,295,000 for the public purpose of financing capital improvement projects and acquisitions set forth in the City's 2011 Capital Improvement Plan (the "Project");

WHEREAS, the Common Council hereby finds and determines that the Project is within the City's power to undertake and therefore serves a "public purpose" as that term is defined in Section 67.04(1)(b), Wisconsin Statutes;

WHEREAS, cities are authorized by the provisions of Chapter 67, Wisconsin Statutes, to borrow money and issue general obligation promissory notes for such public purposes;

WHEREAS, it is the finding of the Common Council that it is necessary, desirable and in the best interest of the City to authorize the issuance of and covenant to issue general obligation promissory notes (the "Securities") to provide permanent financing for the Project;

WHEREAS, the Securities have not yet been issued or sold;

WHEREAS, cities are authorized by the provisions of Section 67.12(1)(b), Wisconsin Statutes, to issue note anticipation notes in anticipation of receiving the proceeds from the issuance and sale of the Securities;

WHEREAS, it is the finding of the Common Council that it is necessary, desirable and in the best interest of the City to authorize the issuance and sale of Note Anticipation Notes pursuant to Section 67.12(1)(b), Wisconsin Statutes (the "Notes"), in anticipation of receiving the proceeds from the issuance and sale of the Securities, to provide interim financing to pay costs of the Project; and

WHEREAS, it is the finding of the Common Council that it is necessary, desirable and in the best interest of the City to sell the Notes to Robert W. Baird & Co. Incorporated (the "Purchaser"), pursuant to the terms and conditions of its note purchase proposal attached hereto as Exhibit A and incorporated herein by this reference (the "Proposal").

NOW, THEREFORE, BE IT RESOLVED by the Common Council of the City that:

Section 1. Authorization of Securities. The City hereby authorizes the issuance and declares its intention and covenants to issue the Securities pursuant to the provisions of Chapter 67, Wisconsin Statutes, in an amount sufficient to retire any outstanding note anticipation notes issued for the

purpose of paying costs of the Project. There is hereby levied on all the taxable property in the City a direct, annual, irrevocable tax sufficient to pay the interest on said Securities as it becomes due, and also to pay and discharge the principal thereof.

Section 2. Authorization and Sale of the Notes. In anticipation of the sale of the Securities, for the purpose of paying costs of the Project, there shall be borrowed pursuant to Section 67.12(1)(b), Wisconsin Statutes, the principal sum of EIGHT MILLION TWO HUNDRED NINETY-FIVE THOUSAND DOLLARS (\$8,295,000) from the Purchaser in accordance with the terms and conditions of the Proposal. The Proposal is hereby accepted and the Mayor and City Clerk or other appropriate officers of the City are authorized and directed to execute an acceptance of the Proposal on behalf of the City. To evidence the obligation of the City, the Mayor and City Clerk are hereby authorized, empowered and directed to make, execute, issue and sell to the Purchaser for, on behalf of and in the name of the City, the Notes aggregating the principal amount of EIGHT MILLION TWO HUNDRED NINETY-FIVE THOUSAND DOLLARS (\$8,295,000) for the sum set forth on the Proposal, plus accrued interest to the date of delivery.

Section 3. Terms of the Notes. The Notes shall be designated "Note Anticipation Notes"; shall be issued in the aggregate principal amount of \$8,295,000; shall be dated June 28, 2011; shall be in the denomination of \$5,000 or any integral multiple thereof; shall be numbered R-1 and upward; and shall bear interest at the rate and mature on December 28, 2011 as set forth on the schedule attached hereto as Exhibit B and incorporated herein by this reference (the "Schedule"). Interest is payable at maturity. Interest shall be computed upon the basis of a 360-day year of twelve 30-day months and will be rounded pursuant to the rules of the Municipal Securities Rulemaking Board.

Section 4. Redemption Provisions. The Notes shall be subject to redemption prior to maturity, at the option of the City, on November 28, 2011 or on any date thereafter. Said Notes shall be redeemable as a whole or in part, and if in part, by lot, at the principal amount thereof, plus accrued interest to the date of redemption.

Section 5. Form of the Notes. The Notes shall be issued in registered form and shall be executed and delivered in substantially the form attached hereto as Exhibit C and incorporated herein by this reference.

Section 6. Security. The Notes shall in no event be a general obligation of the City and do not constitute an indebtedness of the City nor a charge against its general credit or taxing power. No lien is created upon the Project or any other property of the City as a result of the issuance of the Notes. The Notes shall be payable only from (a) any proceeds of the Notes set aside for payment of interest on the Notes as it becomes due, and (b) proceeds to be derived from the issuance and sale of the Securities, which proceeds are hereby declared to constitute a special trust fund, hereby created and established, to be held by the City Clerk and expended solely for the payment of the principal of and interest on the Notes until paid. The City hereby agrees that, in the event such monies are not sufficient to pay the principal of and interest on the Notes when due, if necessary, the City will pay such deficiency out of its annual general tax levy or other available funds of the City; provided, however, that such payment shall be subject to annual budgetary appropriations therefor and any applicable levy limits; and provided

further, that neither this Resolution nor any such payment shall be construed as constituting an obligation of the City to make any such appropriation or any further payments.

Section 7. Segregated Debt Service Fund Account.

(A) Creation and Deposits. There be and there hereby is established in the treasury of the City a separate and distinct fund account designated as the "Debt Service Fund Account for \$8,295,000 Note Anticipation Notes, dated June 28, 2011" (the "Debt Service Fund Account"), and such account shall be maintained until the indebtedness evidenced by the Notes is fully paid or otherwise extinguished. The City Treasurer shall deposit in the Debt Service Fund Account (i) all accrued interest received by the City at the time of delivery of and payment for the Notes; (ii) any premium which may be received by the City above the par value of the Notes and accrued interest thereon; (iii) any proceeds of the Notes representing capitalized interest on the Notes or other funds appropriated by the City for payment of interest on the Notes, as needed to pay the interest on the Notes when due; (iv) proceeds of the Securities (or other obligations of the City issued to pay principal of or interest on the Notes); (v) such other sums, including tax monies, as may be necessary at any time to pay principal of and interest on the Notes when due and which are appropriated by the Common Council for that purpose; and (vi) surplus monies in the Borrowed Money Fund as specified in Section 9 hereof.

(B) Use and Investment. No money shall be withdrawn from the Debt Service Fund Account and appropriated for any purpose other than the payment of principal of and interest on the Notes until all such principal and interest has been paid in full and the Notes canceled; provided that such monies may be invested in permitted municipal investments under the pertinent provisions of the Wisconsin Statutes ("Permitted Investments"), which investments shall continue to be a part of the Debt Service Fund Account. Said account shall be used for the sole purpose of paying the principal of and interest on the Notes and shall be maintained for such purpose until the Notes are fully paid or otherwise extinguished, and shall at all times be invested in a manner that conforms with the provisions of the Internal Revenue Code of 1986, as amended (the "Code"), and any applicable Treasury Regulations (the "Regulations").

(C) Remaining Monies. When all of the Notes have been paid in full and canceled, and all Permitted Investments disposed of, any money remaining in the Debt Service Fund Account shall be transferred and deposited in the general fund of the City, unless the Common Council directs otherwise.

Section 8. Covenants of the City. The City hereby covenants with the owners of the Notes as follows:

(A) It shall issue and sell the Securities as soon as practicable, as necessary to provide for payment of the Notes;

(B) It shall segregate the proceeds derived from the sale of the Securities into the special trust fund herein created and established and shall permit such special trust fund to be used for no purpose other than the payment of principal of and interest on the Notes until paid. After the payment of principal of and interest on the Notes in full, said special trust fund may be used for such other purposes as the Common Council may direct in accordance with law; and,

(C) It shall maintain a debt limit capacity such that its combined

outstanding principal amount of general obligation bonds or notes or certificates of indebtedness and the \$8,295,000 authorized for the issuance of the Securities shall at no time exceed its constitutional debt limit.

Section 9. Proceeds of the Notes; Segregated Borrowed Money Fund.

All monies received by the City upon the delivery of the Notes to the Purchaser thereof (other than any premium and accrued interest which must be paid at the time of the delivery of the Notes into the Debt Service Fund Account created above) shall be deposited by the City Clerk into a special fund (the "Borrowed Money Fund") which shall be maintained separate and distinct from all other funds of the City and shall be used for no purpose other than the purposes for which the Notes are issued. Monies in the Borrowed Money Fund may be temporarily invested in Permitted Investments. Any monies, including any income from Permitted Investments, remaining in the Borrowed Money Fund after the purposes for which the Notes have been issued have been accomplished, and, at any time, any monies as are not needed and which obviously thereafter cannot be needed for such purposes, shall be deposited in the Debt Service Fund Account created herein.

Section 10. No Arbitrage. All investments made pursuant to this Resolution shall be Permitted Investments, but no such investment shall be made in such a manner as would cause the Notes to be "arbitrage bonds" within the meaning of Section 148 of the Code or the Regulations and an officer of the City, charged with the responsibility for issuing the Notes, shall certify as to facts, estimates, circumstances and reasonable expectations in existence on the date of delivery of the Notes to the Purchaser which will permit the conclusion that the Notes are not "arbitrage bonds," within the meaning of the Code or Regulations.

Section 11. Compliance with Federal Tax Laws. (a) The City represents and covenants that the Project financed by the Notes and their ownership, management and use will not cause the Notes to be "private activity bonds" within the meaning of Section 141 of the Code. The City further covenants that it shall comply with the provisions of the Code to the extent necessary to maintain the tax-exempt status of the interest on the Notes including, if applicable, the rebate requirements of Section 148(f) of the Code. The City further covenants that it will not take any action, omit to take any action or permit the taking or omission of any action within its control (including, without limitation, making or permitting any use of the proceeds of the Notes) if taking, permitting or omitting to take such action would cause any of the Notes to be an arbitrage bond or a private activity bond within the meaning of the Code or would otherwise cause interest on the Notes to be included in the gross income of the recipients thereof for federal income tax purposes. The City Clerk or other officer of the City charged with the responsibility of issuing the Notes shall provide an appropriate certificate of the City certifying that the City can and covenanting that it will comply with the provisions of the Code and Regulations.

(b) The City also covenants to use its best efforts to meet the requirements and restrictions of any different or additional federal legislation which may be made applicable to the Notes provided that in meeting such requirements the City will do so only to the extent consistent with the proceedings authorizing the Notes and the laws of the State of Wisconsin and to the extent that there is a reasonable period of time in which to comply.

Section 12. Execution of the Notes; Closing; Professional Services.

The Notes shall be issued in printed form, executed on behalf of the City by the manual or facsimile signatures of the Mayor and City Clerk, authenticated, if required, by the Fiscal Agent (defined below), sealed with its official or corporate seal, if any, or a facsimile thereof and delivered to the Purchaser upon payment to the City of the purchase price thereof, plus accrued interest to the date of delivery (the "Closing"). The facsimile signature of either of the officers executing the Notes may be imprinted on the Notes in lieu of the manual signature of the officer but, unless the City has contracted with a fiscal agent to authenticate the Notes, at least one of the signatures appearing on each Note shall be a manual signature. In the event that either of the officers whose signatures appear on the Notes shall cease to be such officers before the Closing, such signatures shall, nevertheless, be valid and sufficient for all purposes to the same extent as if they had remained in office until the Closing. The aforesaid officers are hereby authorized and directed to do all acts and execute and deliver the Notes and all such documents, certificates and acknowledgements as may be necessary and convenient to effectuate the Closing. The City hereby authorizes the officers and agents of the City to enter into, on its behalf, agreements and contracts in conjunction with the Notes, including but not limited to agreements and contracts for legal, trust, fiscal agency, disclosure and continuing disclosure, and rebate calculation services. Any such contract heretofore entered into in conjunction with the issuance of the Notes is hereby ratified and approved in all respects.

Section 13. Payment of the Notes; Fiscal Agent. The principal of and interest on the Notes shall be paid by the City Clerk or City Treasurer (the "Fiscal Agent").

Section 14. Persons Treated as Owners; Transfer of Notes. The City shall cause books for the registration and for the transfer of the Notes to be kept by the Fiscal Agent. The person in whose name any Note shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes and payment of either principal or interest on any Note shall be made only to the registered owner thereof. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Note to the extent of the sum or sums so paid.

Any Note may be transferred by the registered owner thereof by surrender of the Note at the office of the Fiscal Agent, duly endorsed for the transfer or accompanied by an assignment duly executed by the registered owner or his attorney duly authorized in writing. Upon such transfer, the Mayor and City Clerk shall execute and deliver in the name of the transferee or transferees a new Note or Notes of a like aggregate principal amount, series and maturity and the Fiscal Agent shall record the name of each transferee in the registration book. No registration shall be made to bearer. The Fiscal Agent shall cancel any Note surrendered for transfer.

The City shall cooperate in any such transfer, and the Mayor and City Clerk are authorized to execute any new Note or Notes necessary to effect any such transfer.

Section 15. Record Date. The fifteenth day of each calendar month next preceding each interest payment date shall be the record date for the Notes (the "Record Date"). Payment of interest on the Notes on any interest payment date shall be made to the registered owners of the Notes as they appear on the registration book of the City at the close of business on the Record Date.

Section 16. Utilization of The Depository Trust Company Book-Entry-Only System. In order to make the Notes eligible for the services provided by The Depository Trust Company, New York, New York ("DTC"), the City agrees to the applicable provisions set forth in the Blanket Issuer Letter of Representations previously executed on behalf of the City and on file in the City Clerk's office.

Section 17. Official Statement. The Common Council hereby approves the Preliminary Official Statement with respect to the Notes and deems the Preliminary Official Statement as "final" as of its date for purposes of SEC Rule 15c2-12 promulgated by the Securities and Exchange Commission pursuant to the Securities and Exchange Act of 1934 (the "Rule"). All actions taken by officers of the City in connection with the preparation of such Preliminary Official Statement and any addenda to it or Final Official Statement are hereby ratified and approved. In connection with the Closing, the appropriate City official shall certify the Preliminary Official Statement and any addenda or Final Official Statement. The City Clerk shall cause copies of the Preliminary Official Statement and any addenda or Final Official Statement to be distributed to the Purchaser.

Section 18. Undertaking to Provide Continuing Disclosure. The City hereby covenants and agrees, for the benefit of the owners of the Notes, to enter into a written undertaking (the "Undertaking") required by the Rule to provide timely notices of the occurrence of certain events in accordance with the Rule. The Undertaking shall be enforceable by the owners of the Notes or by the Purchaser on behalf of such owners (provided that the rights of the owners and the Purchaser to enforce the Undertaking shall be limited to a right to obtain specific performance of the obligations thereunder and any failure by the City to comply with the provisions of the Undertaking shall not be an event of default with respect to the Notes).

The City Clerk, or other officer of the City charged with the responsibility for issuing the Notes, shall provide a Continuing Disclosure Certificate for inclusion in the transcript of proceedings, setting forth the details and terms of the City's Undertaking.

Section 19. Record Book. The City Clerk shall provide and keep the transcript of proceedings as a separate record book (the "Record Book") and shall record a full and correct statement of every step or proceeding had or taken in the course of authorizing and issuing the Notes in the Record Book.

Section 20. Bond Insurance. If the Purchaser of the Notes determines to obtain municipal bond insurance with respect to the Notes, the officers of the City are authorized to take all actions necessary to obtain such municipal bond insurance. The Mayor and City Clerk are authorized to agree to such additional provisions as the bond insurer may reasonably request and which are acceptable to the Mayor and City Clerk including provisions regarding restrictions on investment of Note proceeds, the payment procedure under the municipal bond insurance policy, the rights of the bond insurer in the event of default and payment of the Notes by the bond insurer and notices to be given to the bond insurer. In addition, any reference required by the bond insurer to the municipal bond insurance policy shall be made in the form of Note provided herein.

Section 21. Conflicting Resolutions; Severability; Effective Date. All prior resolutions, rules or other actions of the Common Council or any parts thereof in conflict with the provisions hereof shall be, and the same are, hereby

rescinded insofar as the same may so conflict. In the event that any one or more provisions hereof shall for any reason be held to be illegal or invalid, such illegality or invalidity shall not affect any other provisions hereof. The foregoing shall take effect immediately upon adoption and approval in the manner provided by law.
