Re: Professional Services Agreement for Contract 34-14 (K4-034) PS – 2014 Future Sewer
CCTV Priority Planning

We have received a Professional Services Agreement from AECOM for the capturing of sewer inventory and condition data, data analysis, planning and reporting of the City of Racine's sewer asset management system.

The agreement is in the not-to-exceed amount of \$4,270.00. Funding for this agreement is available in Account 287.994.5310, Sanitary Sewers – Various Locations.

If the Committee agrees, the appropriate action would be to approve the proposal and authorize the Mayor and City Clerk to enter into the agreement.
