Dear Mr. Molbeck:

As you know, the American Cancer Society Relay for Life in Racine will be held June 8 & 9 at the Racine Zoo. We are reviewing our options for participant parking and one convenient location is the North Beach lot. The Relay, however, is an overnight event and the signs indicate that the park closes at 10:00 pm and parking is not allowed after closure.

We request that the closure signs be removed for the night of June 8, to allow some of our participants to utilize this lot overnight.

Thank you for your consideration of this request.

Sincerely,

A handwritten signature in cursive script that reads "Nona Dahlbe".
