Re: Contract 04-14 (K4-004) - Proposal for 2014 Pavement Inspection and Planning

We have received a proposal from AECOM Technical Services, Inc. for the 2014 Pavement Inspection and Planning. This proposal is in the not-to-exceed amount of \$83,200.00. It includes updating the pavement and associated infrastructure asset data in the City's INFRA/PAVE database. It also includes tasks designed to continue to improve the integration of the City's pavement system with other mapping and information management systems. Funding is available in Account No. 101.130.5610, 2014 Professional Services.

If the Committee agrees, the appropriate action would be to approve the proposal and authorize the Mayor and City Clerk to enter into the agreement.
