Dear Chairman Holding,

My name is James Schutz, Vice President of Open Pantry Food Marts, DBA Your Store at 2731 Durand Ave Racine.

When "Your Store" applied and was granted a fermented malt beverage license in 2010, a restriction was placed on the license from selling single cans of beer. It was my understanding that as long as we were a responsible corporate citizen, maintained our best practices of responsible alcohol retailing, we could request the restriction to be lifted. I believe, Your Store, has demonstrated "Best Practices" in selling of age restricted products to our customers in the City of Racine.

Please accept this letter as a request to be placed on the next Common Council Meeting, to request that the Council lift the said restriction for our license.

Best Regards,

James L. Schutz
Vice President
