Honorable Mayor and Members of the Common Council
730 Washington Avenue
Racine, Wisconsin 53403

Please refer to the Cemetery Commission this request for a review of the fees charged for use of the cemetery facilities. This review would consider fees charged when cemetery grounds and buildings are used for a function not associated with a burial on cemetery grounds. The review should include consideration of use by not-for-profit organizations. When completed the review should be forwarded to the Finance and Personnel committee for review of the fiscal impact of the recommendations.

Sincerely,

Thomas Friedel
10th District Alderman
