Subject: North Park Lot use for MC200 Relay

Don,

Tom Molbeck refered me to your attention. I am the relay director for the Madison-Chicago 200 Relay. This realy has existed for the last 3 years under another name and has utilized city of Racine's for may of its exchange sties. Basically, Teams runners are coming from Madison on their way to Chicago, beginning Friday morning at 7 a.m. and ending up in Chicago at 4 p.m. the next day. Each team changes runnes at various predetermined locations along the 200 mile route.

The past 3 years we have used the Bell Senior center as one of the exchange areas but with the growth of the event we need to find a larger area. I would like to request the use of the parking lots at North Park beach from the hours of 2 a.m. till 8 a.m. Saturday morning June 7th 2008.

Tom suggested there might not be much use of the area at that time of day. We are Insured with the city of Racine through USA Track and Field. Adam Smith is our contact.

If you need more information on the event please feel free to contact me.

Thank You,

Joe
