

5/13/11

Mr. Donnie Snow,

I would like to apply for a waiver or reduction in fees for the use of North Beach. I have spoken to Mr. Tom Molbeck about developing a family friendly co-ed beach flag football league. The dates and times I am interested in are Sundays as follows: 7/10, 7/17, 7/24, 7/31, 8/7, 8/14, 8/21 & 8/28, from 3:30pm to 7:30pm. I have a roll out port-a-field that measures 30x80 yards that can be set up any where and will be set up and removed the day of use.

I am a Quality Auditor at In-sink-erator. I have years of experience running flag football leagues. I used to run Ultimate Rush Flag Football years ago, helped with The Corporate Cup flag football tournaments and recently consulted and volunteered for the Racine Flag Football League. I got out years ago because I didn't like the direction the league was going. I believe the game should be good spirited and fun with minimal contact because we all have more important things to do than tend to injuries. I have adapted the rules in such a way that teams can have minors ages 16 and up play with parental consent and a parent on the team, and discounts for full family teams. There is a mercy rule similar to playing a man down in hockey so that scores (and egos) don't get out of control. Like everything else the economy has made things difficult. I am looking to have a very low budget. A team entry cost of about \$270 each or less is better.

This is an example for an eight week season:

Insurance-	\$140	For the season,
Referees-	\$960	For the season 24 games x 2 refs= 48x \$20 each game.
Facility-	\$400	For the season verses (rental cost now 150x8=\$1200)
Equipment-	\$100	Balls, cones, flags
Total	\$1600	Divide by 6 teams = About \$270 per team

I would like to thank you for taking the time to consider me and my plans. I believe with very low overhead this could be extremely successful for Racine's North Beach. If you have any questions please feel free to contact me.

Thank you,

Robert (Bob) L. Daher Jr.
