RE: Amendment No. 4, State Contract 2350-10-00, Racine Street, 21st Street to
Washington Avenue, Earth Tech, consultant

We have received Amendment No. 4 for the design contract for the above contract in the amount of \$3,9,31.10. This is for Earth Tech to located the proposed roadway alignment and face of curb along the length of the project because of the utility pole relocation. The City's share of the contract would be \$982.78 and funding is available in Account No. 985.908.5090, Racine Street Design Services.

The contract for the design work is a three-party contract between Earth Tech, the City of Racine and the State of Wisconsin Department of Transportation. Appropriate action would be to approve the amendment and authorize the Mayor and City Clerk to enter into the agreement.
