RE: Project Agreement for Reconstructing State Street (STH 38)

We have received a project agreement from the Wisconsin DOT for reconstructing State Street (STH 38) from N. Memorial Drive to LaSalle Street, State Project ID: 2290-12-00/70.

The estimated cost of the construction is \$2,625,500 with \$2,441,875 of federal funds through the State Highway Improvement Project, and the City's share being \$183,625. This project is in the 2013 CIP.

If the Committee agrees, appropriate action would be to approve the agreement and authorize the Mayor and City Clerk to enter into the agreement.
